

Simmetria Bedside Table 2023

by Oleksandr Babenko

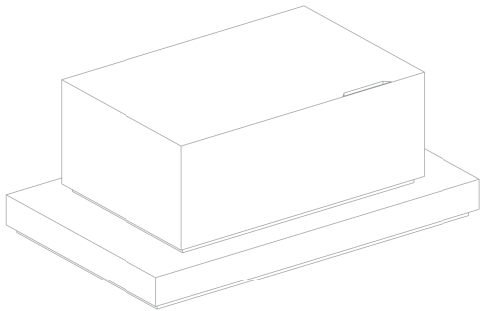

Description

Number 22 – Simmetria by designer Oleksandr Babenko. Creating this piece designer aimed to offer a versatile solution for both the bedroom and the living room serving as either a bedside table or a TV stand. The low platform adds an interesting element to the composition and fits well within the interior. The concealed facade and handle with the option to choose its side add practicality and elegance. Item is available in various finishes of veneer or enamel. Simmetria was created with a love for balance and harmony.

Important Information

We can produce our products in custom sizes. Contact us for a consultation.

Please note that surfaces made of natural veneer/wood may vary slightly in texture and shade even when using the same finish. This is due to the uniqueness of each piece of wood, batch, and the region of its origin. We recommend purchasing items with the same veneer/wood finish as part of a single order for maximum consistency in the chosen finish.

Notes

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
